PETERSEN'S SEEDS

1941

76 YEARS

JULIUS PETERSEN COMPANY

709 Carroll Street

St. Louis, Mo.

THE LAWN

A beautiful lawn is the first step toward adornment of the house and not only adds to its value, but is a real necessity if you want your home and garden to look its best. Contrary to popular belief, it is not difficult to have a beautiful lawn. All that is required is a little preparation and care. The first and most important thing to do is to use GOOD SEED. Petersen's Lawn Mixtures are tested for highest quality, purity and germination and so blended to make the finest lawns for this area.

Petersen's Lawn Mixture—Composed of pure seeds which we have found by long experience to be the most desirable and best suited for lawns. With a little care it will produce a deep-rooted turf, luxuriant, carpet-like and emerald-green, from early spring through summer to early winter.

1 Lb. 35c 5 Lbs. \$1.50 10 Lbs. \$2.70

Petersen's Shady Lawn—Shady spots require special seed. Many lawn grasses will not thrive in shady places. We have put into this mixture those kinds that will make a fine, close, compact, velvety lawn. Ground that has been continuously shaded by trees or buildings often becomes sour and it is advisable before sowing to work a quantity of lime into it.

1 Lb. 55c 5 Lbs. \$2.50 10 Lbs. \$4.80

Kentucky Blue Grass—An ideal lawn grass. It spreads rapidly and makes a sod of fine texture. It is rather slow germinating.

1 Lb. 35c 5 Lbs. \$1.50 10 Lbs. \$2.70

Red Top—This grass, while widely used in mixtures, is seldom used by itself, or as a base for a lawn grass. Grows well around this section.

1 Lb. 25c 5 Lbs. \$1.00 10 Lbs. \$1.85

Rye Grass—An annual quick growing grass seed. Used in mixtures to produce an immediate lawn.

1 Lb. 20c 5 Lbs. 95c 10 Lbs. 1.80

White Dutch Clover—Very valuable for use on lawns. The roots extend deep into the ground and consequently stand drought well.

1 Lb. 95c 5 Lbs. \$4.50

Our Grass Seed Is Hormone Treated.

Phone or write for free pamphlet on lawn care.

SOIL ANALYSIS SERVICE

If you are not pleased with your lawn, possibly the fault is due to some deficiency in the soil. We will be pleased to analyze your soil and recommend the fertilizer that is needed. Very little ground is needed for this test but the sample should be taken to a depth of four inches. There is no charge for this service.

LAWN ROLLER RENTED

For the convenience of our customers, we rent out our Lawn Roller. After sowing grass seed, it is always best to press it into the ground with a roller. It is the water type, needing to be filled with water before using.

Rent is 50c Per Day—Pick-up and Delivery Charge 50c

PEAT MOSS

This is one of the best mulches in common use. It retains 16 times its weight in water.

FLOWER SEEDS

AFRICAN DAISY—*Aurantiaca* Mixed

Spreading plants covered with a wealth of large daisy-like blossoms. Withstands drought and is a midsummer bloomer.

12 in. Annual—Pkt. 5c. ¼ oz. 35c

AGERATUM—Blue Ball

The finest variety for neat edgings; free-flowering and quick-growing. When in full bloom the dense clusters of small, fuzzy blossoms give the plant the appearance of a blue ball. Withstands drought; midsummer bloomer.

3 in. Annual—Pkt. 5c. ¼ oz. 65c

SWEET ALYSSUM—Carpet of Snow

Of all garden flowers, none is better known for its fragrance and beauty. It is truly the queen of edging plants. When in full bloom, the plant is so completely covered with snow-white blossoms it creates the impression of a carpet of snow.

4 in. Annual—Pkt. 5c. ¼ oz. 30c

ANTIRRHINUM (Snapdragons)—Giant Flowered

Brilliant mixture of light colors, very showy. The flowers are very large and the plants of medium length. Rust resistant.

16 to 20 in. Annual—Pkt. 10c. ¼ oz. 50c

Semi-Dwarf Mixture

Neat plants; free-flowering, bearing long dense spikes of varied colors almost as large as the giant types.

15 in. Annual—Pkt. 10c.

¼ oz. 55c

ASTERS—Heart of France

Most popular and best pure red Aster. It opens purest ruby red and deepens with age. Valuable as a cut flower.

18 in. Hardy Annual—Pkt. 10c

¼ oz. 75c

Imbricated Pompon Mixed

The plant is of erect habit and flowers freely. The flowers are like small pompons with as high as twenty to the plant. Blooms early.

15 in. Annual—Pkt. 10c.

¼ oz. 70c

Peony Flowered

Flowers are immense, very double. Borne on long stems, splendid for cutting.

24 in. Annual—Pkt. 5c. ¼ oz. 65c

Giant Crego Mixed

Long, shaggy, twisted petals make up the blossoms, the plant being robust and branching. Wilt-resistant.

24 in. Annual—Pkt. 5c. ¼ oz. 70c

Dwarf Bouquet

The plants are little bouquets, each having a dozen or more lovely flowers in delightful shades. Cut off the complete plant for a bouquet.

10 in. Annual—Pkt. 10c. ¼ oz. 75c

BACHELOR BUTTON—Mixed Colors

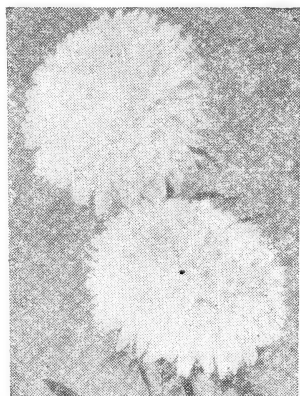

The flowers are somewhat thistle-like in form. Easy to grow and bloom freely.

24 in. Annual—Pkt. 5c. ¼ oz. 30c

BALSAM (Lady Slipper)—*Camellia* Fld. Mixed

These bushy plants grow well in partial shade and develop rapidly. The flowers are double.

18 in. Annual—Pkt. 5c. ¼ oz. 65c

ASTER, Heart of France

double. Borne on long stems, splendid for cutting.

FLOWER SEEDS—Cont.

BRACHYCOME (Swan River Daisy)—Mixed Colors

A free-flowering, dwarf annual covered the greater part of the summer with a profusion of dainty flowers.

10 in. Annual—Pkt. 5c. ¼ oz. 35c

CALENDULA—Sunshine

These brilliant flowers thrive even in the poorest soil and need little care. Blooms all summer if seed pods are not allowed to form. Known as pot-Marigolds.

16 in. Annual—Pkt. 10c. ¼ oz. 25c

CALIFORNIA POPPY—Romona

Plants bloom profusely all summer, grow in tufts. The foliage is very lacy; the flowers are golden within and coppery-rose outside.

12 in. Annual—Pkt. 5c. ¼ oz. 45c

CALLIOPSIS—Double Mixed

Easily grown and showy; succeed in almost any location and soil. Bloom continuously from early summer until frost.

12 in. Annual—Pkt. 5c. ¼ oz. 25c

CANDYTUFT—Dwarf Hybrids Mixed

Compact plants covered with large umbrella-like flowers in all delicate shades.

6 in. Annual—Pkt. 5c. ¼ oz. 25c

CARDINAL CLIMBER

A rapid growing climber attaining the height of 25 feet. The foliage is fern-like, covered with fiery, cardinal flowers. Blooms from mid-summer to frost.

Annual—Pkt. 5c. ¼ oz. 25c

CARNATION—Enfant de Nice

A hybrid strain producing strong plants of erect habit, with large, double, sweet-scented, fringed flowers, two and one-half inches across on long, wiry stems.

18 in. Perennial—Pkt. 10c. ¼ o. 75c

Giant Marguerite

Fragrant flowers of large size; fine for beds, borders or pots.

22 in. Annual—Pkt. 5c. ¼ oz. 50c

CHRYSANTHEMUM—Double Coronarium Mixed

Compact in habit, bearing handsome flowers.

24 in. Annual—Pkt. 10c. ¼ oz. 30c

CLARKIA—Finest Double Mixed

The plants are hardy, graceful and erect. The foliage is an attractive light green and the double flowers resemble small rosettes.

24 in. Annual—Pkt. 5c. ¼ oz. 30c

COBAEA SCANDENS

One of the most rapid growing climbers. The bell-shaped flowers open a clear green but turn lilac. Sow the seed edgewise.

Annual—Pkt. 5c. ¼ oz. 25c

COLUMBINE—

Mrs. Scott Elliott Hybrids

Graceful plants which bloom early in the season. The blossoms are long and spurred, red, delicately colored. Requires semi-shade, moisture.

24 in. Annual—Pkt. 5c.

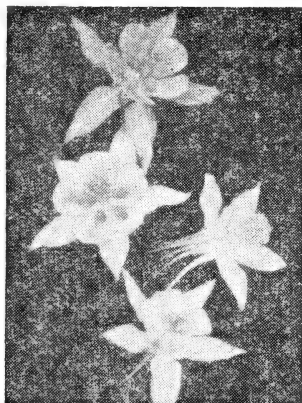

¼ oz. 75c

COSMOS—Orange Flare

A new variety, excellent for the back or center of the flower bed. The golden-orange flowers are fine for cutting.

42 in. Annual—Pkt. 10c.

¼ oz. 25c

COLUMBINE

FLOWER SEEDS—Cont.

Sensation Mixed

The Sensation is a new strain that blooms earlier and with larger flower. This type makes a splendid cut-flower.

36 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 45c

COCKSCOMB—Empress

The most impressive crested cockscomb. The huge combs are of deep, velvety crimson-purple.

10 in. Annual—Pkt. 10c. $\frac{1}{4}$ oz. 50c

Woolflower

Splendid for garden display and for cutting. Each branch is tipped with a round, woolly flower head. A rapid grower.

26 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 35c

CYPRESS VINE

Annual climber with fern-like foliage dotted with a profusion of star-shaped red and white flowers. Soak seed in warm water before planting.

Climbs 15 feet. Annual Pkt. 5c. $\frac{1}{4}$ oz. 15c

DELPHINIUM—Wrexham Hybrids Mixed (Hollyhock Flowered)

Giant flowering strain of superior quality. Flowers measure almost two inches in diameter, and range in colors of blue, white and pink combinations, many bicolor.

3 to 4 ft. Perennial—Pkt. 10c. $\frac{1}{4}$ oz. \$1.50

DIANTHUS (Pinks)—Hedewigii Double Mixed

Double fragrant flowers with fringed petals. For midsummer blooming, the seed should be started indoors in February. An annual but plants will usually live over the winter with light covering.

12 in.—Pkt. 5c. $\frac{1}{4}$ oz. 65c

ESCHOLTZIA—See California Poppy

FORGET-ME-NOT—Indigo Blue

Dwarf plants very suitable for borders. The flowers are dark blue and completely cover the plant.

10 in. Annual—Pkt. 5c. $\frac{1}{4}$ o. 65c

FOUR O'CLOCK—Tom Thumb Mixed

Plants are suitable as a low hedge. The flowers open late in the afternoon and close next morning in the heat of the sun.

12 in. Annual—Pkt. 5c

GAILLARDIA—Dazzler

One of the few perennials that flower from June to October. It grows easily from seed and will bloom the first year. The flowers are golden-yellow with a deep maroon center.

24 in.—Pkt. 5c. $\frac{1}{4}$ oz. 45c

GODETIA—Dwarf Show Mixture

An attractive hardy annual, deserving more extensive cultivation. The plants bloom profusely and bear showy flowers of satiny texture, in many rich and varied colors.

12 in. Annual—Pkt. 5c.

$\frac{1}{4}$ oz. 35c

GAILLARDIA, Dazzler

GOURDS—Small and Large Fruited Varieties Mixed

Of all novelty plants the gourd is probably the most interesting. The fruits are all shapes and sizes which can be used for ornaments, toys and utensils. Annual—Pkt. 5c. 1 oz. 35c

GYPSOPHILA—Convent Garden

The plants are very graceful of fairy-like growth. The flowers are much in demand for cutting to combine with other flowers for bouquets.

24 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 15c

FLOWER SEEDS—Cont.

HELICHRYSUM—Mixed Colors

Helichrysums are an ornament to the garden when growing and are prized for winter and durable bouquets. Flowers for drying should be gathered when partially unfolded and hung suspended heads downward in a cool place.

18 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 25c

HOLLYHOCK—Indian Spring

An All-American Silver Medal winner 1939. Semi-double fringed flowers that measure 5 inches with the colors ranging from pale pink to crimson rose. A most attractive Hollyhock.

4 to 6 ft. Annual—Pkt. 15c

Triumph Double Mixed

Newest and earliest of Hollyhocks. Almost every garden has a place for this stately flower. Fine for lining a garden wall or fence or for the center of the flower bed.

4 ft. Perennial—Pkt. 5c. $\frac{1}{4}$ oz. 45c

KOCHIA—Childsii

Excellent for a temporary low hedge. The moss-like foliage remains bright green until frost, then turns to a beautiful bronze red.

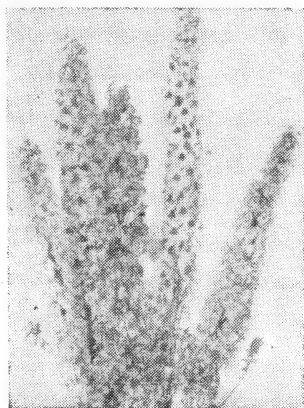

24 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 20c

LANTANA—Dwarf Hybrids

The flowers are like verbenas, very fragrant. Blossoms in shades of crimson, orange and yellow.

12 in. Annual—Pkt. 10c.

$\frac{1}{4}$ ob. 30c

LARKSPUR

LARKSPUR—Giant Imperial Mixed

Ideal for cut flowers as the stems branch from the base of the plants. Cut off faded blossoms for long season of bloom.

36 in. Annual—Pkt. 5c.

$\frac{1}{4}$ oz. 35c

LINUM—Scarlet Flax

The glowing blossoms of Scarlet Flax add gracefulness and a splash of color to the garden.

18 in. Annual—Pkt. 5c.

$\frac{1}{4}$ oz. 30c

LOBELIA—Crystal Palace

Because of low growth, the Lobelia is invaluable as a rock garden plant. The flowers of this variety are the deepest blue with dark stems.

4 in. Annual—Pkt. 5c. $\frac{1}{4}$ o. 45c

LUPIN—Improved Hybrids

The Lupin has been greatly improved in recent years and is a very desirable garden flower. The tall spikes present a delightful variety of color blending.

36 in. Perennial—Pkt. 5c. $\frac{1}{4}$ oz. 25c

Russel Strain

These remarkable Lupins are the result of years of careful breeding. The floral spikes are often three and one-half feet or more in length. Flowers are of a beautiful assortment of bicolors of blues, pinks, reds, yellows and purples. Thrive best in well-drained, sandy soil and in partial shade.

4 ft. Perennial—12 Seeds 25c

MARIGOLDS—Giant Peony Flowered Supreme Mixed

Flowers are large and very double with an attractive loose-petal, peony-like appearance. Early bloomer and the most attractive of all Marigolds.

26 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 50c

FLOWER SEEDS—Cont.

Harmony

A French type Marigold, the flowers are bright golden-yellow bordered with rich maroon-red. The plants are bushy and excellent for bedding.

12 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 40c

Double French Mixed

The plants are of compact growth; flowers range in colors of orange, bronze and red.

12 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 25c

Crown of Gold

First Marigold in cultivation with odorless foliage. The flowers are orange-gold, collarette type.

28 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 45c

Tall African Sunset Giants

There is no more showy, late summer and fall flower than the Marigold. Unsurpassed for massed beds. The African varieties are double flowers of deep orange and lemon yellow.

32 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 25c

MIGNONETTE—Giant Machet

The most fragrant garden plant which makes it valuable for bouquets.

15 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 25c

MOON FLOWER—White

A climber that blooms in the evening. The flowers are large and white.

20 ft. Annual—Pkt. 5c. $\frac{1}{4}$ o. 25c

MORNING GLORY—Scarlett O'Hara

All-American Gold Medal Winner, 1939. The flowers are quite large, and produced freely during the summer. The flowers remain open longer than other sorts.

Annual—Pkt. 15c

Heavenly Blue

For a desirable climber the Heavenly Blue Morning Glory has no equal. It is a rapid climber and when in full bloom the dense foliage is literally a sheet of delicate blue flowers measuring three and one-half to four inches across.

Annual—Pkt. 5c. $\frac{1}{4}$ oz. 25c

Fine Mixed

A blend of all colors.

Annual—Pkt. 5c. 1 oz. 25c

NASTURTIUMS—Golden Gleam

Semi-dwarf, the Golden Gleam is rapidly becoming the most popular variety. The flowers are sweet scented of a golden-yellow color. The stems are long and the flower extends well above the plant.

15 in. Annual—Pkt. 10c. 1 oz. 15c

Tom Thumb Mixed

Low growing, bushy Nasturtiums well suited for edgings and borders. A well-balanced mixture of the most vivid colors, very showy.

12 in. Annual—Pkt. 5c. 1 oz. 20c

NICOTIANA—Affinis Hybrids

One of the most fragrant flowers and the easiest annual to grow. They open toward evening and emit a powerful perfume. The flowers bloom in all gay colors and resemble long horns with five flaring lobes.

24 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 25c

NIGELLA (Love-in-a-Mist)

One of the prettiest old-fashioned annuals with attractive, double blue flowers, feathery foliage. Early profuse bloomer.

16 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 10c

PANSY—Mammoth Exhibition

Suitable for all purposes, a sturdy dwarf grower. The flowers are round, solid, of gigantic size of the most beautiful color variations.

8 in. Annual—Pkt. 5c

FLOWER SEEDS—Cont.

PETUNIAS—Hollywood Star

This lovely new Petunia is a charming shade of rich rose. It is unique in the form of its flower which consists of a five-pointed star. It is early and free blooming and is so smothered with blooms that hardly any foliage shows. All-America Silver Medal, 1939.

10 in. Annual—Pkt. 15c. 1/8 oz. 80c

Howard Star

A dwarf Petunia of maroon-color with a white star center. Very attractive, profuse bloomer. Fine for bedding.

12 in. Annual—Pkt. 5c. 1/4 oz. 50c

Rose Gem

One of the most attractive pink Petunias one can select for edging or for a flower bed.

5 in. Annual—Pkt. 10c. 1/8 oz. 80c

Flaming Velvet

A rich velvety crimson, small flowering Petunia. Planted in beds or borders, it creates a sheet of crimson. All-America Gold Medal Winner, 1936.

10 in. Annual—Pkt. 10c.

1/8 oz. 65c

Heavenly Blue

Flowers are a beautiful silvery light blue. The plants are dwarf and compact.

16 in. Annual—Pkt. 10c.

1/8 oz. 75c

Alderman

The flowers are a deep, velvety purple. The best, dark purple, dwarf Petunia.

10 in. Annual—Pkt. 10c

PETUNIA, Balcony Type

Balcony Type Mixed

The flowers are very large and splendid for flower boxes or to overhang a terrace. The Balcony type are of trailing habit.

15 in. Annual—Pkt. 5c. 1/8 oz. 75c

Dwarf Bedding Mixed

For edging or for the front of borders, these low growers with their dainty blossoms are superb. The plants bear bountifully.

10 in. Annual—Pkt. 5c. 1/4 oz. 40c

Fluffy Ruffles

This variety bears flowers three to four inches in diameter, of beautiful colors of crimson, pink, lavender, white, deeply lined and netted. They are beautifully ruffled and fringed. Fine for beds and pots.

14 in. Annual—Pkt. 15c

POPPIES—American Legion

A single poppy of dazzling scarlet with white cross center. This is an improved Flanders Poppy.

16 in. Annual—Pkt. 5c. 1/4 oz. 20c

Improved Shirley Mixed Colors

The flowers are of very delicate and harmonious colorings and many are ruffled.

16 in. Annual—Pkt. 5c. 1/4 oz. 20c

Iceland Poppy—Sandford Giants

Immense flowers on strong, long stems in a beautiful color range. Iceland Poppies prefer moist soil and light shade.

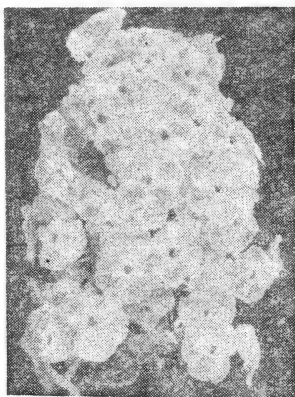

16 in. Perennial—Pkt. 10c. 1/4 oz. 80c

PORTULACA—Double Moss Flower

These gayly colored flowers are not only pleasing to the eye but are easily grown. They thrive in dry, sunny spots and through the hottest days their blooms remain fresh.

6 in. Annual—Pkt. 5c, 10c, 25c. 1/4 oz. \$1.00

FLOWER SEEDS—Cont.

PHLOX, Art Shades

PHLOX—Finest Mixed Colors

The one variety that blooms in every known color of the rainbow and flowers freely during the entire summer. Has long stems which make it desirable for cutting.

12 in. Annual—Pkt. 5c.

¼ oz. 50c

Art Shades

A new strain that flowers in a remarkable variety of soft pastel colors, that makes a very cheerful bed or border. The plants are nine inches high, the individual florets are one and one-half inches across.

9 in. Annual—Pkt. 10c.

¼ o. 55c

RICINUS—Zanzibar

For quick, shrub effects or temporary background these tree-like plants are excellent. The huge leaves are palm-shaped and often two feet across, ranging in colors of brilliant green to bronze.

5 to 8 ft. Annual—Pkt. 5c. 1 oz. 15c

SALVIA—Dwarf Scarlet Bedder

Dwarf compact plants completely covered with scarlet spikes. The earliest to bloom and ideal for low bedding.

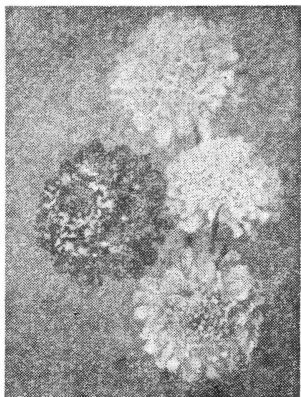

14 in. Annual—Pkt. 5c

SCABIOSA—Giant Hybrids

The blossom has the appearance of a small pin-cushion. Easily grown.

30 in. Annual—Pkt. 5c.

¼ oz. 25c

SCABIOSA, Giant Hybrids

Rosette

Glorious color—a beautiful shade of deep rose heavily suffused with salmon. A favorite color for garden beds or for cut flowers. The flowers appear within a few weeks from sowing.

18 in. Annual—Pkt. 5c.

¼ oz. \$1.00

STOCKS—Dwarf Mixed

The ten-week variety; a favorite for outdoor bedding. The plants are dwarf and compact.

12 in. Annual—Pkt. 5c. ¼ oz. 65c

SWEET PEAS—Giant Ruffled Mixed Colors

This is the finest mixture offered in Sweet Peas. The careful color blending insures perfect harmony sure to please the most critical flower lover.

Annual—Pkt. 5c. ¼ lb. 65c

SWEET SULTAN—Mixed Colors

The flowers are graceful in form and delicately scented. They are excellent cut flowers.

30 in. Annual—Pkt. 5c

SWEET WILLIAM—Double Mixed

Sweet William will ornament the garden with rich and varied color before many of the other early flowers are in bloom. The flowers bloom in clusters with deeply fringed petals.

24 in. Perennial—Pkt. 10c. ¼ oz. 45c

FLOWER SEEDS—Cont.

Annual Sweet William

The flowers are starred and mottled, in many beautiful colors. Named annual because plants will flower first season if the seed is sown early.

15 in.—Pkt. 5c. $\frac{1}{4}$ oz. 45c

THUNBERGIA—Alata Mixed

A lovely plant with large showy flowers that range in colors of yellow, orange, buff and pure white, all with jet black centers. A climber.

5 ft. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 25c

VERBENAS—Finest Mixed

For color effects in beds or borders, the Verbena is unsurpassed. The plant flowers freely and the flowers themselves are sweetly scented. Also single shades of Cerise, Lavender and Red.

10 in. Annual—Pkt. 10c

VINCA—(Periwinkle) Mixed Colors

Pretty flowers and "bugless" foliage are two good reasons for making Vinca an addition to your garden. The blossoms are somewhat similar to Phlox, but are larger and not borne in clusters. The plants are entirely free from insects.

15 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 45c

WALLFLOWER—Double Early Wonder

Lovely sweet-scented flowers, their original colorings of red, brown, mahogany and yellow being most effective in the garden. Easily grown. Always admired.

24 in. Annual—Pkt. 5c

ZINNIAS—Lilliput Mixed Colors

The plants form compact bushes, that bristle with tiny, very double flowers. They are very pretty plants; bloom all summer.

15 in. Annual—Pkt. 5c. $\frac{1}{4}$ oz. 30c

ZINNIA, Lilliput

Fantasy Mixed Colors

Fantasy type flowers have shaggy petals which give a delicate appearance. They lend themselves gracefully to flower arrangements.

2 ft. Annual—Pkt. 10c. $\frac{1}{4}$ oz. 35c

Dahlia Flowered Mixed

Giant flowers with tight compact petals. Blooms in all pastel and deep shades. Showy in the garden and fine for cutting. The most popular Zinnia.

28 in. Annual—Pkt. 10c. $\frac{1}{4}$ oz. 35c

California Giants

The flowers have smaller flat centers and more loosely placed petals than the Dahlia-flowered variety, although they are larger.

2 ft. Annual—Pkt. 5c.

$\frac{1}{4}$ oz. 25c

Dahlia Flowered Meteor

A rich glowing deep red, darkest of all red shades. Very satisfactory for mass plantings.

2 ft. Annual—Pkt. 10c.

$\frac{1}{4}$ oz. 35c

ROSES

From the many rose varieties available, we offer the following as the best of their color and of proven hardiness that will thrive in any ordinary garden soil. Do not fertilize roses the first year, roots are not in condition to absorb it.

No. 1 BUSHES

PINK

Dame Edith Helen—Extremely double, glowing pink.

Pink Radiance—Free flowering, vigorous grower, rosy opaline pink.

RED

E. G. Hill—Large, extremely double, deep scarlet that deepens with age.

Etoile de Hollande—Considered the best red rose, profuse bloomer, very fragrant.

Grenoble—Long stemmed, fine shaped blooms of scarlet crimson.

Red Radiance—A vigorous, glowing crimson sport of Radiance.

YELLOW

Joanna Hill—A vigorous grower and bloomer with long lasting double blooms of deep creamy yellow shaded with bronze pink in center.

Mrs. E. P. Thom—Strong, bushy plants, double pure yellow blooms.

Soeur Therese—Very vigorous, double blooms of rich yellow.

MULTICOLOR

Autumn—An exceptionally vigorous grower, long stems bearing double blooms of rich burnt orange, yellow and red.

Condesa de Sastago—The most popular variety, bears a profusion of fully double, two-toned blossoms on vigorous, bushy plants; petals are deep coppery-pink inside, yellow reverse.

Pres. Herbert Hoover—Large double blooms of creamy yellow tinted with flame pink.

Talisman—A favorite two-toned variety, rich yellow and rose red.

WHITE

Caledonia—The best white, long buds, large, double, lasting flowers.

NOTE—The following of the above varieties are obtainable in No. 1A Bushes: E. G. Hill; Red Radiance; Mrs. E. P. Thom; Condesa de Sastago, and Caledonia.

CLIMBERS

Mary Wallace—Well-formed, rosy pink with salmon base; hardy.

Primrose—Hardy climber, medium sized blooms of canary yellow.

Paul's Scarlet—Most popular of climbing roses. The blooms are a vivid scarlet, of large size, produced in clusters of 3 to 20 flowers on long, strong stems.

Blaze (Patent No. 10)—Climber, hardy everblooming, bright scarlet. **Price \$1.00.**

POLYANTHAS OR "BABY" ROSES

Miss Edith Cavell—A profuse bloomer, small, double, lasting blooms of scarlet crimson.

Mrs. R. M. Finch—A profuse bloomer; double blooms of rosy pink.

"Baby" roses are small but bloom in clusters and literally cover the bush all summer long. Excellent for use as shrubbery.

Mexican Single

Very fragrant, tall graceful spikes covered with numerous snow-white flowers. Excellent for cut flower purposes. Mexican slightly smaller than Double Pearl.

5c Each — 40c Per Dozen

MADEIRA VINES

Makes a quick, dense growth of ivy-like foliage which is covered in the late fall with small white flowers.

5c Each — 40c Per Dozen

INSECTICIDES

PESCO BUGDUST

BLITZKREIG THE BUGS

PESCO BUGDUST is a new insecticide which is really a blitzkrieg on bugs. Pyrethrum, the killing agent, is swift and sure. You can actually see many types of bugs drop and die after they have been dusted. Its efficiency makes it economical.

Besides this, unlike many other powerful insecticides, **PESCO BUGDUST** is non-poisonous and will neither burn nor harden foliage. The only living organisms which it will affect are insects and cold-blooded animals. Try Pesco at the first sign of insect infestation. We are sure that you will be pleased with the results.
